

## F.A.Q.

### **What are the age ranges for Adobe Kids classrooms?**

Our Nursery attendants care for children who are comfortably crawling-3 yrs of age in Classroom #8. The Littles Class ranges from age 3.5 yrs - 5 yrs in Classroom #7. The Elementary Class, held in the Next Gen Building, welcomes children from K-6th grade.

### **What if my child is not yet crawling?**

All children are welcome to attend service with their parents.

If needed, we have dedicated classroom #4 (entrance in foyer) for parents who need an area to change diapers, feed infants, or play with young children.

### **What if my child is not yet potty trained?**

Children with diapers are welcome to be checked in. However, Nursery Attendants do not change diapers and will contact parents if a diaper change is needed. A children's-only restroom is located in the Littles Class (connected to nursery) and open for use throughout service.

### **Who will be allowed to pick up my child?**

We ask that only adults pick up children using their family receipt received at the check in desk.

### **What will my child do during Service?**

Your child will have fun learning age appropriate Bible stories and life principles each week. They will participate in free play, snack (goldfish crackers), crafts, musics, and a circle time or lesson depending on their class.

### **Can my family use the outdoor playground?**

All families are welcome to utilize the playground following service.

### **What if my child gets sick or needs me?**

We will text you at the provided number on their name tag at check-in. Please let us know if your phone number changes so that we can have current information on file.

### **How do I sign-up/register for Adobe Kids?**

Our check-in counter is open from 9:45-10:15 AM. Be sure to pick up a *welcome gift* if your family is new! If you are here *after* 10:15, classrooms are always ready to greet and check-in students throughout service.

### **How can I volunteer in Adobe Kids?**

Please visit Serve at Adobe after service on the Second Sunday of every month and our Adobe Kids Director will promptly follow up about your interest.
